Dear Learners in Years 11,12 and13,

As you are now aware, there will be no external examinations this year for GCSE, AS and A level qualifications. We are still awaiting further information and guidance from the examination boards with regards to the evidence that schools will need to consider in order to provide Centre Determined Grades.

In the meantime, your lessons will continue (with a combination of on-line tasks, live lessons and recordings), until such a time that it is safe for schools to re-open for face to face classroom teaching. Teachers will continue to cover the requisite syllabus in each subject to ensure that all learners develop the necessary knowledge and skills to ensure a smooth transition to the next stage of your educational journey.

We know that learners are keen to do their very best and therefore we encourage each one of you to work hard and complete the set tasks in all your subjects. It is important that you take ownership of your learning, as your efforts now will help determine your future progress. Your commitment to your studies will not only allow the school to continue to support you but will also provide the necessary evidence to reflect your effort, dedication and progress across all subject areas.

We understand that individual circumstances at this time can vary for each of our learners, but it is important to remember that we are all here to help you. We ask that you please engage with all your teachers and attend your live wellbeing and academic sessions to raise any questions or concerns.

We sincerely hope that we will have more specific information to share with you very soon. In the meantime, keep doing your best and if you need any help or support, please ask.

Regards

Mrs Lisa Woodrow

Head of School
