08.01.21

Dear learners, parents and guardians,

Following the Welsh Government's announcement today, learners will not be able to return to face-to-face lessons in school until at least 01.02.21. As a result, staff will continue to provide virtual lessons / sessions.

I understand that this is a very uncertain time in terms of assessment arrangements for learners in years 10 and above, but as a school we are pressing the Welsh Government and Qualifications Wales to share any new information as soon as possible. I ask learners not to worry about these arrangements, but rather to continue with the work presented to you which will help you to continue your studies.

The timetable for next week has already been shared on the school website and on our social networks. It is vital that all learners complete the work that is presented to them and I ask you, as parents and guardians, to monitor this with your child.

The Welsh Government has stated that they will review the lockdown arrangements in three weeks subject to a reduction in the number of positive cases. I urge you to comply with the regulations of staying home and staying safe.

I thank you again for your continued support.

Meurig Jones
