21<sup>st</sup> March 22

Dear learners, parents and guardians,

Due to the increase in positive COVID cases amongst learners and staff, we as a school will need to move to virtual learning for specific year groups on certain days this week. As a result, the following year groups will be required to **stay home to work** on the following days:

- **Tuesday 22.03.22: Yr. 9 to work from home. All other year groups in school**
- **Wednesday 23.03.22: Yr. 10 to work from home. All other year groups in school**
- **Thursday 24.03.22: Yr. 8 to work from home. All other year groups in school**
- **Friday 25.03.22: Yr. 7 to work from home. All other year groups in school**

Subject work for each day will be uploaded to the learners subject Google Classroom for KS3 and Microsoft TEAMS for Year 10.

If the number of cases increases further, it may be necessary to add to the number of year groups working from home. If this has to be implemented, we will notify you as soon as possible, but there is a possibility that this will take place at short notice.

As a result of these absences, staff who are present are absorbing more duties and therefore this may affect our availability to respond to parental queries. I therefore ask you to be patient and someone will contact you as soon as we possibly can.

Thank you for your continued co-operation  
Cofion,

Meurig Jones
