4th April 22

Dear parents and guardians,

There has been no change in the increase in positive COVID cases amongst learners and staff and with external practical and oral examinations happening this week, we will need to move to virtual learning once again for specific year groups on certain days this week. The following year groups will be required to **stay home to work** on the following days, with subject work for each day uploaded to the learners subject Google Classroom or TEAMS:

- **Tuesday 05.04.22: Yr. 7 to work from home. All other year groups in school**
- **Wednesday 06.04.22: Yr. 10 to work from home. All other year groups in school**
- **Thursday 07.04.22: Yr. 9 to work from home. All other year groups in school**
- **Friday 08.04.22: Yr. 8 to work from home. All other year groups in school**

We have prioritised Years 11-13 to remain in school every day, as they will be sitting external assessments and examinations over the coming days/weeks.

As previously noted, due to these absences, staff who are present are absorbing more duties and therefore this may affect our availability to respond to parental queries. I therefore ask you to be patient and someone will contact you as soon as we possibly can.

The school will reopen on Monday 25.04.22 (Week A) for everyone following the fortnight holidays. Thank you for your continued co-operation and I wish you a happy Easter.

Cofion,

Meurig Jones
